Outside School Hours Care

Our activity program reflects and values the importance of play in middle childhood. Activities are provided to support children's social, emotional and life skill development.

Children are encouraged to grow and develop in a safe, caring and supportive environment where friendship, cooperation and mutual respect is encouraged.

The OSHC environment, resources and equipment provide opportunities for children to engage in self initiated and spontaneous play. Activities may include art and craft, science, sports and games, indoor and outdoor activities, music, dance, drama and cooking.

Opportunities for children to complete homework are provided.

Health & Nutrition

Afternoon tea is a nutritious and varied snack which may include sandwiches, crackers, corn/rice thins, yoghurt, custard, fruit and vegetables.

Staffing

CCCS work cooperatively with key stakeholders to develop a team of child care professionals that support and respect the uniqueness and individuality of children and families.

The day to day operations of each OSHC centre is managed by a Centre Coordinator and supported by an Area Supervisor. All OSHC staff hold a Positive Notice Blue Card, Full First Aid and Asthma & Anaphylaxis training.

Child Care Benefit

Child Care Benefit (CCB) is a payment made to families to assist with the costs of child care. Families can choose to receive CCB through fee reductions or as a lump sum payment. To test your eligibility for CCB contact the Family Assistance office on 13 61 50.
