

Vision

Animated by the values of equity, forgiveness, hospitality and inclusion, the St Brendan's community in its diversity and Catholic tradition, is a safe place for people to grow in personal excellence.

Mission

Our mission is to align effective learning and teaching to students, create genuine opportunities for ongoing learning, provide a safe and supportive school environment and build personal resilience; match human and physical resources to needs and to facilitate participation in the many facets of a Catholic life.

Values

Faith

Community

Excellence

Strategic priority	Goal ¹ : Goals that inspire and set your school's direction <i>"Where do we need to go?"</i>	Targets: Measurable targets to track progress towards your school's objectives <i>"How do we know we are getting there?"</i>	Actions: Actions required to drive progress of key results <i>"What will we do to get there?"</i>	Timeline: <i>"When do we want to get there by?"</i>	Responsibilities & Accountabilities: <i>"Who is responsible for ensuring it happens?"</i>
